

WINE DESCRIPTION

CHÂTEAU LA SABLE WHITE "LE PETIT M" 2022

APPELLATION LUBERON PROTÉGÉE

Appellation: AOP Luberon

Grape Varieties : 40% Marsanne, 27% Rolle, 17% Viognier, 16% Roussanne.

Terroir: The vines are located in Cadenet, in the Luberon Natural Park. They are at an altitude of 350 meters and surrounded by olive trees and oak trees.

The soil is fresh and made of clay, on terraces well windswept and facing north-west, which makes it perfectly adapted for these white grape varieties.

Wine making: Hand-harvest in small cases. Hand selection of the grapes. Light pressing of whole bunches, with a pneumatic press. Alcoholic fermentation for about 2 weeks at low temperature to protect flavours. Aging in stainless steel tanks on fine lees.

Tasting Notes: Pale yellow colour, with shiny glints. Delicate notes of white peach on the nose. On the palate, notes of citrus fruits, which give the wine its freshness. Long finish with flavours that get more complex and mineral.

The letter M comes from the vineyard location, a place called "Mauconseil", across the road from La Sable, our original vineyard.
